

**WE OFFER BEGINNER/ COMPETITIVE/ INTENSIVE PROGRAMS FOR AGES 3-18**

**SPOTLIGHT DANCE CENTRE** offers a comprehensive curriculum in the performing arts, meeting the needs of children from pre-school ages to high school seniors, beginners to pre-professionals.

**CREATIVE** is a 45-minute per week program for children aged 3 years. The class is a mix of ballet and games. Children develop skills in listening, rhythm, coordination and spatial awareness through music, songs and games. This is an excellent foundation for progression into the Pre-Primary levels. No year end performance.

**BALLET** is the basis of all dance. The fundamentals of ballet are necessary to create strong, dynamic dancers. For youngsters starting at 4 yrs. we strongly emphasize the necessity of at least one weekly ballet class. This builds up to five classes per week for students interested in developing their talent and performing skills. **ROYAL ACADEMY OF DANCE EXAMS** begin at **Ages 7 and up** are offered to all ballet students from Grade 1. Exams are taken in the fall.

**JAZZ** is an exciting form of dance offered to students **4 years and up**. Using the latest music, dancers develop coordination, musicality, flexibility and strength. Each class includes a warm-up, centre-floor technique, across-the-floor patterns and a final combination.

**TAP** dance is a fun form of dance offered to students **4 years and up**. Tap develops excellent coordination, rhythm, style and musicality. Dancers develop a repertoire that is both expressive and fun.

**HIP HOP/STREET JAZZ** is a stylized form of dance with a more mature musical basis. Beginners and advanced dancers, boys and girls can enjoy this funky style of street jazz. Students must be **8 years or older**.

**MODERN/CONTEMPORARY Age 8** is a style of dance with free and natural movements, making use of spatial dimensions.

**MUSICAL THEATRE/PRODUCTION** is the combination of singing, acting and dance. We offer students **7 to 17 years** the opportunity to experience the fun and excitement of learning routines from popular musicals. Students must also be registered in a jazz class in order to develop the necessary technique to accomplish the dancing component of the musical theatre class.

**COMPETITIVE CLASSES** have been created to develop performance skills in talented students. These students participate in competitions, festivals and community events. Students who show good technical skills and a dedicated interest in dance are invited to audition for placement in these groups.

**ACRO** is a core strengthening, flexibility class using acrobatic movement. Students must be **8 years or older**.

**PRE-ACRO AND PRE-CONTEMPORARY** Age 5-7 are classes that will prepare little ones for the classes that their bodies are not mature enough to participate in

**COMPETITIVE** Competitive classes are by audition only and apply for students that participate in our Professional and Rec. Company.

**ADVANCED CLASSES** All classes that are considered advanced are with permission only. A teacher must assess your abilities before being accepted into class and you must be participating
